Points out of 8.00

Which one is the right constituency for the verb phrase [ read this book on the couch ] as part of the sentence in (1)?

(1) Peter will read this book on the couch. (intended meaning: the reading is happening on the couch)

The right structure is .

Now consider the following constituency test results. Which one(s) only support(s) the structure you chose (and do not support the other structure)?

1. Peter will read it on the couch
2. Peter will do so on the couch
3. What Peter will do on the couch is read this book.
4. Peter will read this one on the couch
5. Peter will do so.

support(s) my structure only.

## Question 6

Answer saved

Points out of 8.00

The following sentence is ambiguous.

(1) Dean said that Peter proposed to Susan on Monday

Reading 1: The proposal happened on Monday.

Reading 2: Monday is when Dean said that.

Each reading can be associated with one of the structures below:

Structure AStructure B

Select the missing words:

Reading 1 corresponds to  whereas reading 2 corresponds to .

A good way of forcing Reading 1 could be to use the following constituency test:

Dean said  .

A good way of forcing Reading 2 could be to use the following constituency test:

Dean said  .

**Question 7**

Answer saved

Points out of 6.00

For this question you don't have to turn in any trees.

However, we strongly recommend that you draw the tree structures. It will help you to choose the right answer.

Consider the following sentences (and the tests I ran for you):

1. Peter will fold those clothes on the sofa → Peter will **do so** on the sofa
2. Peter will put those clothes on the sofa → \*Peter will **did so** on the sofa

The PP [on the sofa] in (1) is a/an  of .

The PP [on the sofa] in (2) is a/an  of .

Examine the data below from Hixkarijana

- |                            |                             |
|----------------------------|-----------------------------|
| 1. toto jahosije kamara    | The jaguar grabbed the man. |
| 2. birjekomo jahosije toto | The man grabbed the boy.    |
| 3. jawaka jerjeje wosi     | The woman put the axe down. |
| 4. kamara jotahano toto    | The man hit the jaguar.     |
| 5. wosi jotahano birjekomo | The boy hit the woman.      |

Pay attention to the English translations provided and try to identify the Hixkarijana phrase structure. Which of the following structures best represents example (4)?

- ☐ (a)
- ☐ (b)
- ☐ (c)
- ☒ (d)
