

Prelab #4

⌚ Reading time ⌚

- 15 - 25 minutes

We will be working with Google Forms this week, so please read the following to familiarize yourself with data. While we will not be doing participatory asset mapping, the second reading demonstrates important considerations in designing any participatory mapping activity. The optional reading is for those who have not used Google Forms before.

Readings

- Harvard tip sheet for designing questions:
https://psr.iq.harvard.edu/files/psr/files/PSRQuestionnaireTipSheet_0.pdf [5 mins]
- Shortened version of [Participatory Asset Mapping](#) [15 mins]

Optional

Know about Google Forms?

Skip this if you are familiar with the basics of creating a Google Form.

- [Google's 3 steps of getting started with Google Forms](#) [3 mins]
