Group Assignment #2: Memo

Due Thursday 4/27

Prepare a short memo (no more than two pages) for your project either using Google Docs or Microsoft Word. This document will be exchanged with other groups and form the basis of our survey testing. When finished, please upload the pdf to your repository.

Requirements

- Background on the social issue/campaign being addressed, please cite sources where necessary

- What the project hopes to achieve

- Description on which communities will be empowered

- At least 2 user stories from the perspective of community members

- 2-3 sample questions to be included on the survey

- Future plans on how the project could be used in the future to give ownership of the tool to the community
